

**LWVSA Members:** If you cannot attend a unit meeting, you may return this form by January 17, 2011, to have your input considered. Individual members who submit responses will be considered as a “unit-at-large.” See January 2011 VOTER for instructions to access state and local positions on line if you do not have a *LWVSA Member Handbook*

League Member Name: \_\_\_\_\_

**I: Review of Current LWV Washington Positions -** If you think a position needs to be revised, explain:

Name of position \_\_\_\_\_ Reason \_\_\_\_\_

**II: Listing and Ranking of Issues for State Program 2011-2013**

Please list in the table below the items you want to give attention to. Specify what role the issue should play, e.g. study, update (see page 3 of VOTER for definitions/questions). Rank the top three items in order of importance: give it a **1 if it’s the most important** and 3 if it’s your third choice.

Name of Issue	Study	Update	Concurrence *	Action	Citizen Education	Rank

**\*If you propose concurrence please explain:** 1. Issue 2. LWV Source of position 3. Contact information 4. Reason for League to consider concurrence

**III: New Proposal:** (new studies, updates, action or citizen education)

The **TITLE** identifies the proposed program item.

The **SCOPE** should outline the direction of the work and include the important components. The scope explains whether it is a new study, an update on an issue previously studied, a citizen education project or an action campaign. One paragraph is usually long enough.

The **OUTLOOK** for work should help members determine whether the item is practical and manageable. Please include, and use extra paper as needed:

- The expected length of time needed for completion
- Possible sources of information
- Role of local Leagues
- Members willing to work on the project and their contact information.
